++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers on Monday. Brighter and drier Tuesday and Wednesday.

This Evening and Tonight:
A damp evening and night, with light winds but plenty of cloud around. Showers will become more isolated but are likely to break out anywhere in the region. Minimum temperature 8 deg C (46 deg F).

Monday:
Cloudy gradually thinning and breaking through the morning to allow some bright spells to develop, but also occasional heavy afternoon showers, these perhaps thundery. Showers slowly decaying into the evening. Maximum temperature 17 deg C (63 deg F).

Outlook for Tuesday to Thursday:
Drier and brighter, occasionally sunny, on Tuesday and Wednesday, with fewer, lighter showers. Some chilly nights. Increasingly wet and windy after a bright start on Thursday, with coastal gales possible.
